Art Unit: 1625

This Office action supersedes the last communication.

Claims 1-4, 15-16, 18-20 are pending in this application.

Claims 5-14, 17 are cancelled.

Telephonic Interview

Applicant's representative initiated a telephonic interview on or about 10/5/07 asking the Examiner to withdraw and replaced the last Advisory Action with a Final rejection.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter, which the applicant regards as his invention.

Claims 2, 4, 18, 20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The MW cited in claim 2, 4 are inherent in claims 1, 3 respectively. Claim 18 is a duplicate of 16. The compounds of claims 1, 3 are in isolated form according to the specification. Therefore, claim 20 is a duplicate of 1 and 3. Under the US patent practice duplicate or substantial duplicate claims cannot be in the same application. By deleting claim 2, 4, 18, 20, the rejection would be overcome.

Applicant's filing of the English translation of the foreign document with petition on 6/14/04, and amendment (9/10/03) necessitated the new ground(s) of rejection presented in this

Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
